Dear Mr. Morris:

The Division of Waste Management (DWM), Solid Waste Section (SWS) has completed review of the permit application for constructing and operating Craven LCID Landfill, which is titled as:

Based on the review, the SWS has no further comment on the above-referenced permit application at this time and hereby issues Craven LCID, LLC. the Permit to Construct & Operate in accordance with Section .0201(e) and consistent with Sections .0203 and .0563(4) of the Solid Waste Management Rules 15A NCAC 13B. Please note that the issuance of this permit neither exempts you and Craven LCID, LLC. nor removes your responsibility to comply with any applicable ordinance, regulation or law that may affect your facility.

Enclosed please find a hard copy of Solid Waste Permit (Doc ID 19622) for Craven LCID Landfill, and the approved permit application and drawings (Doc ID 19624) is also enclosed. The electronic format of the approved documents can be directly downloaded from the DWM's web site at <https://edm.nc.gov/DENR-Portal/>. Type in the Doc ID Number (only numeric number) in the boxed area next to the "Description" in the "Property Criteria" area. Then click "Search" box. The document in "pdf" format will appear on the lower section of the screen called "Content" area. Please place the approved documents including this permit to the facility operating record.

Please carefully review the permit and pay special attention to the following permit conditions, which shall be completed prior to receiving any permitted wastes at this landfill facility; the permit conditions briefly stated below:

- General Permit Condition No. 3, Part IV, Attachment 1 of the permit regarding permit recordation requirement. The certified copy of the permit (enclosed) must be filed in the Register of Deeds office in Craven County, and the copy (entire document including permit) is returned to the SWS, within thirty (30) working days, from the date received, with the page and book number, date of recordation, and Register's seal.
- Pre-Operational Condition No. 8, Part I, Attachment 2 of the permit.

Thank you for your cooperation in these matters. Please contact me with questions or comments regarding your permit at (919) 707-8251 or ming.chao@ncdenr.gov or Ray Williams, Senior Environmental Specialist for your area, at (252) 948-3955 or ray.williams@ncdenr.gov.
